SOZO LIFE MINISTRIES NEWSLETTER

August 2016

Dear Friends,

We hope you all are doing well and enjoying the summer. We just came back from the USA where we spent time with our family and friends and participated in the Charis International Directors' meeting in Colorado. These meetings are always very inspiring because we meet with people who share the same passion for Jesus. We share our experiences, ideas, better solutions, testimonies. We pray for and encourage each other to continue with the mission that the Lord gave us.

As always we look forward to time spent in the USA but also are happy to go back to Poland and continue our ministry here.

Charis Poland update

Last June (just 2 months ago) Charis Bible College Poland graduated a group of ten 2nd year students. We also graduated 4 students from our 3rd year leadership program.

graduating class of 2016.

Ewa, Joseph

Our students showed an incredible dedication to their studies. Many of them live physically very far from our school and every 2 weeks when our school was meeting they had to spend 2 days in total traveling. One student commuted by plane from London/England - every 2 weeks! Another was taking a 9hr night train before and after school. Another student was taking an 8hr bus ride arriving the day before the school day and leaving the next day. Other students had many difficult personal obstacles to overcome. But they all were very determined to finish well. They did not give up. We are so proud of them!

Last school year we were also blessed with additional team members Lukasz and Ela (in the picture above). They graduated from Charis Poland in 2014, finished 3rd year apprenticeship program in 2015, and this last year helped us with the administration of the school. They were a great help to us and our students. As we move forward with the school, we will continue to develop and mentor them as well as others to develop the next generation of leaders who will be able to take over the ministry to the next level. This is why we are here - to make disciples of Jesus who will continue the work and will make other disciples.

Thank you for your support which makes Charis Poland possible. We could not be here and disciple others without your involvement. Our students and we are very grateful for you!

Publishing update

Since our last newsletter we were able to publish another book in the Polish language by Andrew Wommack - "Grace, the Power of the Gospel". This book is extremely important because it introduces and better explains the reality of God's grace. We are very excited about making this book available in Poland.

This is published book #9 - 3 more books to go to reach our goal where books that have been already published will generate enough interest and support to publish more books without our ministry financial support.

Thank you for getting involved in this project.

*We love and appreciate you all,
Joseph and Ewa*
