

SOZO LIFE MINISTRIES AUGUST 2010 NEWSLETTER

Many exciting things have happened since our last newsletter. The last 3 months have been filled with preparation for our departure to Poland. Here are some highlights of what we have been doing:

Sozo Life Team

BEING MENTORED BEFORE WE GO

We were very blessed by having the opportunity to participate in the Charis Bible College (CBC) directors meeting in June. This meeting was an excellent opportunity for us to meet CBC school directors from all over the world and learn from their experiences. In addition, we met separately with Mike and Carrie Pickett (CBC Russia) and Russ, David and Judith Forgoston (CBC India). All of them were so kind to spend their time with us and to mentor us. We had long conversations about practical aspects of ministry in a foreign country. We talked about "best practices" and the common mistakes missionaries make that should be avoided. We are so very grateful to all our new friends who invested their time to give us their wisdom and to help us succeed.

JOE HUNT JOINS OUR TEAM!

Joe Hunt is our newest team member. He will be responsible for all the US-side administrative activities of our ministry. Joe is already experienced in supporting missionaries on the field and his heart is to serve them. His support will allow us to focus on spreading the Gospel in Poland knowing that Joe takes good care of things "back home" in Colorado Springs. Joe is also a graduate of Charis Bible College in Colorado Springs and is currently working in the phone center at Andrew Wommack Ministries.

CBC Directors Meeting- June, 2010

IT'S TIME TO LEAVE THE NEST

The preparation time and training is over. We graduated from our apprenticeship program in May. We were also ordained on July 1st. With prayers, blessings, laying on of hands, and being sent out by the presbytery, we are ready for our mission. It is time to start the ministry. **Our departure date for Poland is September 10th, 2010!**

OUR MISSION... WHY POLAND?

Many people are asking us why are we going to Poland? Don't people in Poland already know about Jesus? Yes - many people of Poland know *about* Jesus but they do not *know Him* or have a personal relationship with Him. They are committed to religion and tradition but not to the Living God. Most of the people never read the Bible and those who have tried find it very difficult to understand. Having no guidance or adequate teaching available to them they give up and totally rely on others to tell them who Jesus is and what being a believer means. And yet, it is the Word of God that has the life changing power and makes the relationship with Jesus possible. This is why we are going to Poland. We want to "open" the Word of God to anyone who is interested to know it and guide people through it. We believe that once they can read the Bible for themselves their lives will be transformed and they will want to share this miracle with others. Our heart and mission is for the people of Poland to know the Word of God and develop disciples who in turn will disciple others.
