## SOZO LIFE MINISTRIES OCTOBER 2010 NEWSLETTER

*Greetings from Poland!!!*

We are here, alive, and excited! We have been in Poland for over a month now. Most of our time so far has been spent on getting settled and building an infrastructure for our new life in Poland. God is giving us favor with people and we are able to accomplish everything that we need to take care of. Currently we are staying with Ewa's mom but will be moving to our apartment in November. Our car that was shipped from the USA in September should also arrive in November. The car carries lots of teaching materials such as books and DVD's together with our winter clothes which we will need soon. We are anxious to have our lives stabilized and start our ministry.

*Joseph started  
language school*

Two weeks after we arrived here, Joseph started the School of Polish Language. He goes to school every day for 5 hours a day plus brings home lots of homework. It is a big undertaking and it requires lots of hard work on his part. But when things get difficult Joseph reminds himself "I can do all things through Christ who strengthens me" and just keeps going. The school will last until March 2011.

## *Making new friends*

We met with Kasia and Marcin Borowski who are the authorized translators of Andrew Wommack's books into Polish and who live in Krakow. They have a good understanding of who is familiar with Andrew's material here in Poland. They also have many contacts and will be able to introduce us as soon as we are settled. Kasia and Marcin have been such a blessing to us. They are our "go to" people and have been helpful in navigating through all the things that we have to take care of in Poland- ie. cell-phones, internet connection, debit cards, etc. But most of all, we are just very grateful for their friendship.
