Visit with Greg Mohr

In early November we traveled 250 miles north to a conference in Koszalin. The main reason for our visit there was to meet with Greg Mohr, Administrative Director of AWMI World Outreach, who was speaking at the conference. We spent several hours with Greg and his wife Janice talking about our progress towards opening Charis Bible College Poland in 2012. It was so good to spend time with them both – friends from “home”. They truly care about our ministry and our work. Greg and Janice cheered us

on, encouraged and built us up. It was very special for us to see them both here in Poland and receive their support.

build a great relationship with them and their leadership team. So we were thrilled when they recently asked us to teach the Discipleship Evangelism (DE) course at their church. We feel privileged to have their confidence and trust in our ministry.

We started to teach the DE course in their church on November 5th. We are meeting every Saturday. We have been receiving very positive feedback about the class. Pastor Agnieszka is also attending the class, showing her support for the training.

Discipleship Evangelism

We met pastors Karol and Agnieszka Michalak in December of last year. They are pastors of the church Centrum Chrześcijańskie Zwycięstwo here in Łódź.

From the first time we showed up in their church, we started to

Continue to Build Relationships with Pastors

One of the biggest supporters of our ministry in Poland is the organization Church of God (COG) in Poland. This is a federation of independent churches and our ministry is a member of that federation. Recently we attended two meetings organized by COG in Kraków for pastors. We were able to present our ministry during those meetings and share information about the Discipleship Evangelism course materials and the 2012 opening of CBC Poland. Two of the pastors asked us for the DE materials and have already started to use them in their churches. We were very impressed by the quality and the enthusiasm of the pastors of this federation. They love the Lord, are full of energy, and have a zeal to serve Him. We came back from these meetings recharged and thankful that the Lord is putting wonderful people in our path.

Meeting with Pastors in Kraków

Thank you partners for your hearts toward our ministry. It is through your generosity and financial support that we can be here in Poland.

Blessings and love to you all,
