

SOZO LIFE MINISTRIES FEBRUARY 2011 NEWSLETTER

Greetings from Lodz, Poland! We are doing well and things are moving according to the plan. We are finally moved to our apartment and are settled in a place that we now call "home". God has blessed us with a very comfortable apartment to live in. We recently installed a satellite dish which allows us to watch many Christian channels including GOD and TBN stations that broadcast the Gospel Truth program with Andrew Wommack – our favorite. It feels almost like being back home in Colorado.

Ewa's Mom

Many of you already know that Ewa's mom passed away in December. This was an unexpected event but we must praise our Lord for his mercy and love. Ewa's mom went to a hospital for just one day and died when we

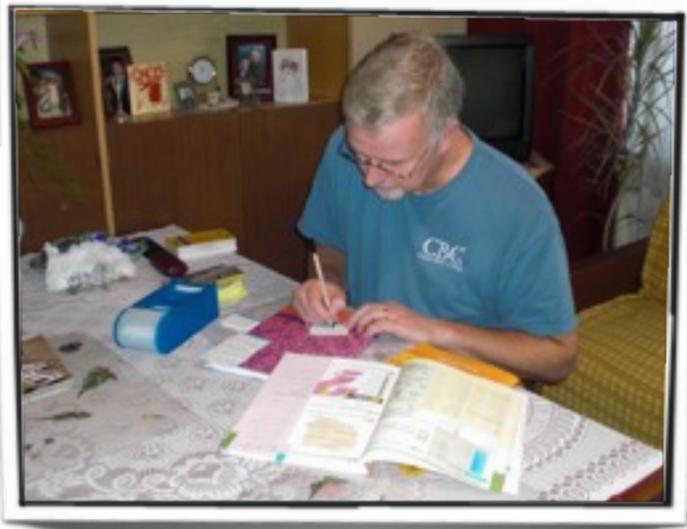

were both there with her. She did not suffer or experience pain of any kind during her hospital stay. She just peacefully passed on. Through the years Ewa had many conversations with her mom about our Lord Jesus and his unconditional love and mercy towards us. But we were not sure if any of it had penetrated her heart. And then something changed. Two weeks before her death Ewa's mom wanted to know what it really means that Jesus died for our sins. She wanted to hear the Gospel and started to read the Bible. We are so grateful that we were in Poland at this special time with Ewa's mom and were able to minister to her. What a privilege. God also covered us both with a supernatural peace during this difficult time. His love and presence was almost tangible. God is so good!

Our Progress

We are happy to report that we are making good progress according to our plan. Joseph works hard at learning Polish and continues with his daily routine of school and lots of homework. He will be done with school in 4 weeks. We have made connections and have been developing relationships with some of the pastors and leaders. We hope to meet more pastors in person in March when we no longer have time restrictions to travel caused by Joseph's school schedule. Our Lord is opening doors for us and we are met with kindness and excitement towards our ministry. We are finding more and more people who are familiar with Andrew Wommack's books or TV programs. That is very exciting news because these people are looking for further teaching.

Discipleship Evangelism Started!

Another goal of ours was to translate the Discipleship Evangelism (DE) materials into the Polish language. But, Praise God! We were introduced to a pastor who has started the translation! He has translated 2/3 of the lessons into Polish already. He was kind enough to send this translation to us for our review and use. This was such a gift and help to us because Ewa does not have to work on this project and we can start using the material immediately. **Two weeks ago we started a home group and started teaching DE!**

Plans for CBC Poland

We began our investigation for starting a Charis Bible College (CBC) extension. We believe that the Lord is giving us a time line to open **CBC Poland in 2012**. The

biggest challenge is connected with translating all the school materials into the Polish language. We are also seeking council from pastors and leaders who are willing to help us in order for us to develop a more concrete business plan. There is much work to be done, but nothing is too big for our God. Besides, we must remember that this is His project –not ours. Again, He is opening the doors and connecting us with people who are willing to help.

Prayer request

Please pray for provision of human and financial resources necessary to translate teaching materials into the Polish language for CBC Poland. Thank you.

Thank you all for your continuing support

It is a great comfort for us to know that there are people who pray for us and the mission that the Lord gave us. We truly appreciate your continued prayers, encouragement and support. As always: **Hold on tight and watch what God is doing in Poland, the best is yet to come!!!**

Blessings and love to you all,

Ewa and Joseph Sederstrom
