## SOZO LIFE MINISTRIES *MAY 2011* NEWSLETTER

### *Charis Bible College Poland Opens September 2012!*

Our focus now is turned towards project #1 - opening Charis Bible College (CBC) in Poland. The school will open in September 2012. We are so excited about this project that we can hardly think about anything else.

There are many challenges connected with opening a school in a foreign country. Here are some of them that we are currently working on:

1. Legal Status – We are gathering needed information, talking to pastors and a lawyer in order to make the right decision how to legally register our school.
2. Translation into Polish - We are looking for competent translators who can translate teaching materials into the Polish language.
3. Web Page – We are in process of developing a CBC Poland web page in both English and Polish.
4. School Format – We are analyzing what would be the best format for the school based on the student's demographics. Should the school be in one or two locations? Should we start the school immediately in English and Polish? Etc...etc
5. Marketing Plan – We are developing a plan on how to market and advertise CBC Poland. What are the conventional and not-so-conventional ways of letting people know that we are here.
6. Business Plan – We are putting together a business plan for the school so that we have a realistic view of what it takes to open our school.

Please pray for us for the wisdom that we need to make the right decisions.

### *Building Relationships*

One of the great benefits of being here in Poland is building relationships with the men and women of God. We have been very blessed by our local pastors Karol and Agnieszka. We have been going to Centrum Chrześcijańskie Zwycięstwo (Victory Christian Center) for several months where we were well received from the very beginning. A few months ago we met with the church leaders and shared our vision. Recently, the pastors gave us the opportunity to share our vision for CBC Poland with the whole congregation. We have received several encouraging comments expressing interest in our school.

*Thank You, Joe Hunt*

The only way we can be out in the field is if things are taken care of 'back home'. Our 'back home' team-member is Joe Hunt. He is also a CBC graduate who works at the Andrew Wommack Ministries phone center. In his after hours, Joe takes care of all the day-to-day jobs that we simply cannot do while here in Poland. He makes regular trips to the post office, opens our mail, receives your donations, makes deposits to the bank and sends you a thank you card on our behalf...and the list goes on. Joe – we can't say **"Thank You"** enough for all you do!

*Your partnership is making a difference!*

Thank you partners for your hearts toward the people of Poland! **It is through your generosity and financial support that we can be here in Poland.**

If you haven't had the opportunity to **donate to our ministry or become our partner**, we would ask that you consider doing just that. God has the people of Poland in His heart. You will be blessed by joining in His plan!!

Blessings and love to you all,
