

"Teaching people about all the blessings granted by God to men in Christ."

SOZO LIFE MINISTRIES *SEPTEMBER 2011* NEWSLETTER

Dear Friends,

Within the last three months we have been busy traveling to the USA and across Poland. While in the USA we participated in the annual Charis Bible College (CBC) Directors' meeting. This was a fantastic opportunity to network and learn from CBC directors in the US and from around the world who willingly shared their experience with us. Their passion for their work is contagious. Needless to say, we came back to Poland all charged up and ready to move forward.

Within a few days after our return from the USA, we started our travels across Poland. Our goal was to introduce ourselves and our ministry to some, and continue to develop existing relationships with others. The Lord brings new people and opens new doors for our ministry all the time. Here are some highlights of our travel:

Chojnice (B)- visiting pastors Marek and Kasia
Pastors Marek and Kasia have been our supporters from the very beginning. They pastor a growing church in Chojnice and are the creators and managers of www.iBog.pl. This webpage provides many teachings of Andrew and others in Polish to a growing number of visitors. Because of their innovative approach to evangelism, we had a good discussion with them about different aspects of our school with lots of good ideas coming out. In addition, we were invited to teach in their church. Ewa shared a message on "Practical Faith".

Koszalin (C) - meeting with Pastor Pawel Godawa

Pastor Pawel Godawa has one of the most successful churches in Poland - "Woda Zycia" (Water of Life) (www.cwz.org). He is a long time supporter of Andrew Wommack and his ministry. Pastor Pawel's experience and knowledge are invaluable. He devoted several hours of his time to meet us and to talk with us about our plans for CBC Poland.

Krakow (D) - meeting with Zsolt

Zsolt Katona works for Andrew Wommack Ministries Europe and lives in Hungary. He leads the translation and printing of Andrew Wommack books for Central Europe, including Poland. We had been wanting to meet Zsolt for quite some time so when we found out that he would be visiting Krakow, we immediately decided to go and arrange a meeting with him. Zsolt gave us an overview of his responsibilities and plans for future books in Polish. He also has many contacts in the publishing industry that may be useful in the future when we need to print teaching materials for school.

Krakow - meeting Jerzy and Ilona

Jerzy and Ilona have a fantastic ministry in Krakow that serves homeless people (www.dom-lazarza.org). Not only do they rehabilitate peoples' lives but they also preach the Gospel and save their souls. One of the tools they use is Discipleship Evangelism materials in Polish. We had the privilege to meet them, see their facility and meet and pray for some of the people they minister to.

Be sure to check out all of these websites. You will be amazed and blessed at what is already happening in Poland!

Serving the Lord in Poland is fantastic!! God continues to set up divine connections for us and introduces us to people in Poland of the same heart and vision for this country. We are definitely in the right place and at the right time.

We thank you so much for your support which is vital for our work to continue.

We love you,
Ewa and Joseph
