SOZO LIFE MINISTRIES *Summer 2012* NEWSLETTER

Rejoice...Rejoice...Rejoice!!!

This is it! **September 8th** 2012 marks the time when we take our ministry in Poland to the next level. This is the day when we start to operate from our own location and start CBC Poland. Our ministry in Poland, established as Centrum Chrześcijańskie Życie Sozo (Christian Center Sozo Life), is now officially open!

We are now in a position to provide a place where people can study the Word of God and become disciples of Jesus. We will offer discipleship programs such as seminars, different courses including Discipleship Evangelism, all the way to and through Charis Bible College Poland. In other words, we will be able to minister to people and help them grow in their relationship with the Lord no matter where they are in their Christian walk.

September 8th 2012 is also the first day of school for CBC Poland. This is tremendous! We have been preparing for this day for the last 2 years. So much work has been done up to this moment - editing transcripts for translation into Polish, actual translation into Polish, verification of translations, learning DVD / Video technology, creating DVDs with subtitles. The list goes on and on. (Attached pictures will give you an idea of what we have been doing just this summer). Much more remains to be done in the future. But we are so jazzed at achieving this milestone that we want to share this great moment with you.

Discipleship Evangelism Materials Update

The translation of Discipleship Evangelism (DE) materials into Polish was completed this April. Since then we have been actively sharing these materials with others. Now they are posted on Don Krow's Discipleship Evangelism website and are available for download. They are also available on [our CBC Poland website](#) and a few others. With the help of our friends, over 500 e-mails have been sent out advertising these materials. The response to our marketing efforts has been very good. The DE page is the most visited page on our CBC website. We have been receiving messages from people in Poland and even outside of Poland that the materials are of value to them and are being used.

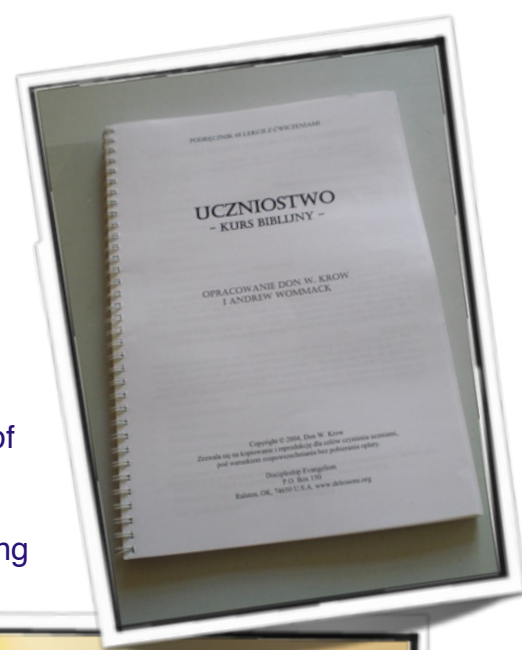

Thank you all who have been with us during these last 2 years by providing encouragement, prayer and support. Please celebrate this event with us – you own a share in this ministry. You remained faithful in your support and in believing in us especially during the preparation times when not much fruit was visible. We truly could not have achieved this milestone without you.

We love you,

Ewa and

Joseph
