## SOZO LIFE MINISTRIES *January/February 2012* NEWSLETTER

*Our Ministry in Poland is legally established!!*

We are very happy to announce that our ministry is now legally established in Poland. The name of our ministry is Christian Center Sozo Life (Centrum Chrześcijańskie Życie Sozo). This is a monumental step for us. It took months of investigation, discussions with a lawyer,

consulting with other pastors, and lots of prayer to accomplish this. It is not that the legal process is so drawn out. It is the fact that the time was needed to educate ourselves about the legal system in Poland and make sure that we made the right decision. We had to take under consideration the needs of our ministry now and in the future.

We are very thankful to Pastor Wojtek Włoch who was instrumental in this process. He pastors Church of Jesus Christ in Krakow. He is full of wisdom and experience and is very familiar with the legal issues that churches and ministries are faced with in Poland. We appreciate him so very much for his heart towards our ministry and all the time he devoted to help us. We truly could not accomplish this without Pastor Wojtek's help.

*New Webpage for Charis Bible College Poland*

Please check out the new webpages that we just published for CBC Poland:

[cbcpolska.com](http://cbcpolska.com) (Polish version).

Also please help us to promote our school. Tell anyone you know with "Polish connections" about the school's webpage. We will appreciate any visibility you can give our ministry.

We want to thank Pastor Marek for all the help he gave us on this project. He spent lots of his time setting up the webpage for us. He also spent many long hours training us so we could maintain the webpage by ourselves in the future. We really appreciate Pastor Marek's expertise and heart towards our ministry.

## *Discipleship Evangelism update*

We recently completed the Discipleship Evangelism (DE) course Level 1 training at the church Centrum Chrześcijańskie Zwycięstwo (Christian Center Victory) here in Łódź. We will offer Level 2 DE training as soon as the translation of the materials is completed.

In the meantime we continue to promote and share the DE materials that are already translated with other pastors. So far, three other pastors have asked us for the DE training materials and are using them in a home group setting in their churches.

Pastors currently using Polish DE materials are Pastor Przemek from Lublin, Pastor Ewa from Warsaw, and Pastor Jerzy from Warsaw. They have made positive comments about the materials.

Thank you so much to everyone who has given of your prayers, time, and resources to make this mission successful. We could not be here in Poland without you. Please know that you are all a blessing to us and we cherish our relationships with you.

God bless you all,

*Ewa and Joseph Sederstrom*
