Introducing the First Class of CBC Poland!

It gives us tremendous pleasure to introduce to you the first group of students of CBC Poland. Our school opened on September 8th with great success. We have 27 full-time and 20 correspondence students. A total of 47 students!! God truly surprised us. Just 3 weeks before school started, we only had 2 students registered. And now 47!!! But as the saying goes, "If you build it, they will come." And indeed they did. Our students come from all over Poland. They travel by car, bus, and train - many for up to several hours one-way. They come from different churches, home groups, and denominations. It is God who sent them to us. The response has been awesome!

Our Opening Day

We will never forget our first day of school. It started with a 2-hour opening celebration. We had a worship group from a local church helping us to praise the Lord. Then we shared our journey which started in 2007 by us attending CBC in Colorado Springs, moving to Poland in 2010, and now opening CBC Poland. We recognized all the people who helped us with our CBC project. We also showed a special welcome video recorded by Andrew for Polish students. Then we had an official "ribbon cutting" ceremony. Finally, we invited everyone for coffee, tea, and pastries. After the celebration we started classes.

Thank You

We want to thank you all for supporting us in every way. Only with time will we be able to understand the impact that CBC Poland has had on this country. We truly believe that this is the time for Poland.

We love you,

Ewa and Joseph Sederstrom
