Update on CBC Poland

Just a short update about the Bible School CBC Poland. School is going great! All the students are hanging in there and just finished the 2nd semester of the 1st year. (Where did the time go?) Students are bonding well with each other and with us. The students are so thankful for the teaching that they are receiving. They tell us often how their hearts are being transformed. This is what makes us so happy to be here – it is so worth the effort.

We have started planning and fundraising for the 2nd year mission trip. Our current plan is to organize our mission trip within Europe.

Hosting a Meeting For Pastors and Church Leaders

Last month we had an opportunity to host in our facility a 2-day meeting for almost 50 pastors and church leaders from the Church of God Poland. As hosts, we were able to introduce ourselves and talk to all the participants. We also had the opportunity to present our school and Discipleship Evangelism (DE) materials. We gave away marketing materials which included school brochures with teaching samples recorded on DVD. Before the meeting was over, two pastors signed up for the correspondence school and many expressed interest in DE materials.

Thank You

God is good - things are happening in Poland. We often pinch ourselves to make sure that this is not a dream. With your support we are able to continue our missionary work here. Thank you!

We love you,

Joseph and Ewa Sederstrom
