News from CBC Poland

On the 25th of May we held the last day of school for our 1st year students.

Our students overcame many personal obstacles during the school year. But they persevered and remained faithful in their studies. In just the last 9 months we have observed how many students' hearts have been changed by the Word of God. And this is just a beginning. We are very proud of their accomplishment and enjoy together the fruit of their labor.

We had a very special time celebrating this event. In the formal part of the day we acknowledged students with "Highest grade average", "Perfect attendance" and "Most changed person" voted by students themselves. Students presented us with a beautifully handmade card, flowers and t-shirts printed with their group picture. We felt so loved by them. The day ended with a pot-luck meal and time to socialize before the summer break and well deserved vacation for all of us.

Greg Mohr Visiting CBC Poland

Last April we were visited by Greg Mohr and his wife Janice from the USA. Greg is a teacher at CBC Colorado and was representing World Outreach department of Andrew Wommack Ministries. We organized a one day seminar and invited all the students, including our correspondence students, and visitors. Our school was completely full. Greg ministered on healing and prayed for many people. For us this was a special time full of great teaching and filled with great memories.
