Update on CBC Poland

In September we started another school year at CBC Poland. Our school's enrollment this year is 38 full time students (1st & 2nd year). In addition we have 41 active correspondence students who are moving forward with their studies but more on a part-time basis. Our full time students are coming to our school from all over Poland. Some of them traveling as far as 200 miles each way.

We have fantastic students. Each of them is special to us, cherished and loved. We know that they are the ones that will carry the Gospel forward and will impact the world around them.

We are very happy with the growth of CBC Poland. But as always with any growth come also challenges. One of them is classroom space and the overall size of our facility. We are currently maxed out. Our students no longer can use tables and have to take notes and tests on their laps.

We are praying for wisdom in this matter but with the expected growth of the school and the future plans that we have for our ministry here, we have to consider a bigger facility. We are already on the “look out” to see what options we have.

Things are really going well at CBC Poland. We hope the attached pictures will give you a flavor of the atmosphere in the school and how special are our students.

Due to the lack of space, there are no more tables in the classrooms

Our students praising and worshipping the Lord!

Recently we purchased a keyboard for our school. Here our student Noemi is leading the worship.

Our students are very thankful for the teachings they get at CBC Poland. One of them recently said to us: **“Thank you for being obedient to the Lord and for coming to Poland - the teaching you brought with you saved our lives”**. We feel honored that we can serve the Lord in Poland and we are grateful that your love and support of our ministry makes it possible. Thank you!

*We love you,
Ewa and Joseph*
