SOZO LIFE MINISTRIES *Summer* 2014 NEWSLETTER

Dear Friends,

This has been a very busy summer for us. As usual we traveled to the USA and were able to spend time with our family and friends, participate in the CBC Director's meeting, attend the Summer Family Bible conference, visit our home church, and meet with the Board members of Sozo Life's ministry to report and discuss our progress and future plans. It was great to be back and see everybody. In spite of the business, we left refreshed and encouraged to continue our work here in Poland.

In our last Newsletter we celebrated our first graduating class of CBC Poland. This was a huge milestone for our ministry. But we have additional good news that we want to share with you.

Another Milestone to report!

Our first published book

We officially opened "Zycie Sozo" (Sozo Life) publishing company in January 2014. We are absolutely thrilled to report that in June 2014 we published our first book!!

As our first book we selected the translation of Andrew Wommack's book "Spirit, Soul & Body" because we believe that this book is a critical foundation needed to understand the Word of God.

We went through a very steep learning curve in order to run a publishing business and understand the business environment in Poland. We needed to find and hire translators, editor, accountant, printer, partnering bookstores, etc. So publishing this first book represents another great milestone for our ministry.

Thank you partners for making this possible!!! Publishing of this book was totally financed by your donations. All the proceeds from sales of this book will be used to help finance publishing the next book. We already have started to work on the next book that we plan to publish within the next couple of months. Your continued donations are greatly appreciated and valued.

Once again Thank You Partners!

Welcome Nancy to our team

We are very happy to introduce you to our new team member Nancy Shaw. Nancy has taken the responsibility as the Administrator of our ministry in Colorado Springs. Nancy is a graduate of Rhema Bible College and attends Pastor Lawson's church Charis Christian Center. She has an extensive career as a legal secretary and is very capable to take care of and represent our ministry in the USA. Nancy and her husband Bob have been our friends for several years. We feel very blessed to have Nancy on our team. Welcome Nancy!

We also want to thank Joe Hunt for working with us during the last 4 years. He has done a great job taking care of our ministry. His work ethics, dependability, and faithfulness were fantastic. Thank you Joe!

Stretching our cords.....moving to a bigger location!

Our current space became too small and inadequate for our needs. This year we will have all 3 years of students and our publishing company will continue to grow. We knew we had to move to a bigger place but waited for a confirmation from the Lord. The confirmation came through one of our partners who gave us this scripture: Isaiah 54:2-3

"Make your tent large. Spread out! Think big! Use plenty of rope, drive the tent pegs deep. You are going to need lots of elbow room for your growing family. You are going to take over whole nations; you are going to resettle abandoned cities". (MSG)

Full of faith we made the commitment to move to a bigger location. Currently the new place is being remodeled to make adequate space for our needs: 7 walls were demolished, electrical re-wiring done, fully painted, new floors placed, etc. Our landlord is financing most of that work. We will show you the picture of the finished project in our next newsletter when it is all done. This is exciting!

*We love you and appreciate you,
Ewa and Joseph*
