SOZO LIFE MINISTRIES *Graduation event 2014* NEWSLETTER

Dear Friends,

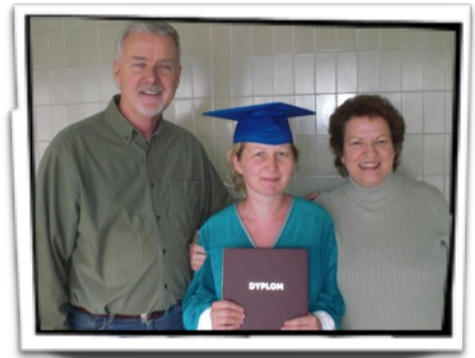

In this newsletter we want to share with you an important event and milestone. On the 31st of May we graduated our first class of students from CBC Poland. These students represent the "first fruit" of our school. We are very proud of them. They are the ones who took a chance and were willing to pioneer together with us a brand new Bible school in Poland. They were willing to go through the "growing pains" with us and they have never stopped encouraging and loving us during this process. Most of them signed up for the 3rd year school program and will continue to contribute towards the further development of our school. Congratulations Class of 2014 of CBC Poland!

First graduating class of CBC Poland together with 1st year

One of our students was in the hospital during the graduation celebration giving birth to her son and was not included in the group picture, so we went to the hospital and delivered her diploma to her.

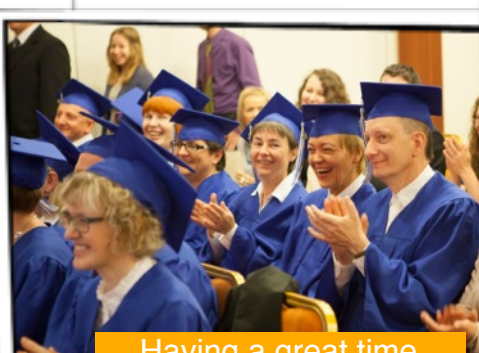

We also celebrated our 1st year students who were promoted to the 2nd year of CBC Poland. They are a fantastic group of people and we are looking forward to seeing them back in September. We are also very proud of them.

We made a "big deal" out of this event. Not only to honor the students but also to celebrate our journey. It took us a total of 7 years - 3 years in CBC Colorado and 4 years in Poland - to arrive at this point. It was a supernatural journey with the Lord leading the way and making this all possible.

Thank you to our partners for believing in us, supporting us and going on this journey with us. We and our students are very grateful for your love and support. Truthfully, we could not do this without you.

Our student's lives have been forever changed because of you. You made it possible for them to receive the most valuable gifts - the RELATIONSHIP WITH THE LORD and the LOVE FOR HIS WORD. Thank you!!

*We love you,
