

SOZO LIFE MINISTRIES *Update #1* 2015 NEWSLETTER

Dear Friends,

It has been such a long time since we have communicated with you. And yet there has been so much going on in Poland, so many great things that the Lord has been doing through the ministry. We want to share them with you, so within the next few weeks we will be sending you several updates and focus each Newsletter on a specific aspect of our ministry.

Overall, there are 3 major areas of our ministry in Poland:

- Discipleship Evangelism program
- Charis Bible College
- Publishing of Andrew's books

In this newsletter we will share news about the

Discipleship Evangelism program

We decided to move the Discipleship program to the next level by making it more formal and by making it accessible to more people. Our goal is to bring more people to Christ, disciple them, get them ready for Charis Bible College, and prepare them for discipling others.

Free teaching and discussion about the Word of God in Polish and English language.

Joseph teaching during "Coffee & the Word"

As of October 2014 we are meeting every Sunday in the afternoon at the ministry location. We call our meetings "Coffee & the Word". The format of the meeting is very simple: we meet for a cup of coffee (very often people bring home baked goods, cookies), have time for fellowship, and teach the Word of God.

The Discipleship program has been going very well. On average there have been between 15-25 people attending. Several of them are our students, but many of them are people from the outside who heard about our meetings. The teaching is done by us and Ela and Luke - 3rd year students.

Many of the people who attend have accepted Jesus Christ as their Lord and are brand new Christians. Others come for fellowship with like-minded people as they do not have a church to go to. These meetings also provide a great training place for our 3rd year students who we perceive as future leaders.

In April we had a celebration of Water Baptism, baptizing 10 people who attend our Sunday meetings and who recently accepted Jesus as their Lord. We rented a local Baptist Church for that occasion.

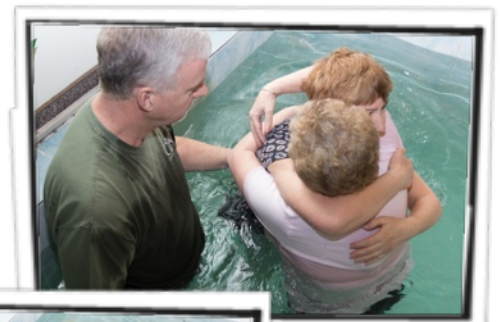

This was such a great privilege and special event! We can see how the Lord is changing peoples' lives – no matter who they are, where they come from, or what their age. The teaching of the true Gospel sets them free from old religion and wrong perceptions of God.

Our hearts were so full of joy – this is why we are here in Poland!

Please rejoice with us, as your partnership makes all this possible. Thank you for supporting our ministry and for your faithfulness.
