SOZO LIFE MINISTRIES NEWSLETTER

Year 2015 in review #1

Dear Friends,

It is hard to believe that we are approaching the end of the year 2015. This has been a very good year for our ministry in Poland. Let us share with you, our dear partners, what together we were able to accomplish during this year. In this newsletter we will focus on Charis Bible College Poland.

Charis Poland has been growing. During the school year 2014/2015 we offered for the first time a 3rd year apprenticeship program. We had 9 apprentices who wanted to study further the Word of God, get practical experience in leadership and provide us with much needed help.

We graduated 16 2nd year students at the end of May 2015. Our graduating ceremony was very special because Andrew and Jamie visited our school during this time. Our students felt very honored to meet them personally. We all felt very privileged to show them the school and spend time with them. Traveling together with Andrew and Jamie was Mark and Lesley Rowe. Mark is the Director of International Operations for Andrew Wommack Ministries. They all made very favorable comments about our ministry, the way Charis Poland is being managed and about the loving relationship we share with our students. The reason we are sharing their comments with you is to let you know that we hold high standards for our ministry and want to represent you well, so that you have confidence in our work and feel good about the ministry you have so graciously decided to be a part of.

When you look at the wonderful faces of the graduating students think about this: You are the ones that graciously donate your money to this ministry so that we can be here in Poland and minister to these people. Your generosity changed their lives forever. Many of them will go on and will change the lives of others. Thank you on their behalf for your hearts even though most likely you will never meet them personally. Nevertheless, you have made a difference. Thank you for supporting us and our efforts in such a time as this.
