SOZO LIFE MINISTRIES NEWSLETTER

April 2016

Dear Friends,

We want to start this newsletter by letting you know how grateful we are for your support of our ministry. Everything we do here in Poland goes back to the fact that we are connected with you. You pray for us, support us financially, think about us and care about what we do.

This is our 6th year in Poland. We are still going strong and our ministry continues to grow. This would not be possible if we did not have you at our side. We thank God for you and the fact that our work in Poland touched your heart in some way and you decided to get involved.

In this newsletter we want to update you on the **progress of the Publishing Department** which is an important department of our ministry here in Poland.

Some of you may be wondering why we need a publishing department? In order to answer that question we need to give you some brief information about the spiritual climate of Poland.

There are 38 million people living in Poland. Poland is predominantly a Catholic country. It is estimated that 95% of the population is Roman Catholic. That means that the remaining 5% of the population represents people with other beliefs including Evangelical Christians.

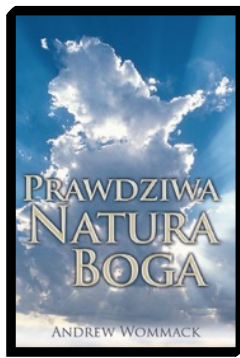

As a result the spiritual climate of Poland is this:

- People are bound to teaching and traditions of the Catholic church
- Most of the people have an incorrect perception of God and are stuck in guilt and condemnation
- **Most of the people have never heard about God's unconditional love and grace**

In such an environment it is difficult to tell people about the true nature of God. They are hesitant to come to a meeting or visit a non-Catholic church. They are willing, however, to read a book in the privacy of their home. **Therefore, books have been proven to be an effective way to tell others the truth about God.** Many of our Charis students came to school because they first read the books and wanted to learn more. This is why we started the publishing department which translates, prints and distributes Andrew Wommack's books.

Book titles from l to r:
 “ True Nature of God”
 “ God wants you well”
 “ A Better Way To Pray”
 “ Spirit, Soul & Body

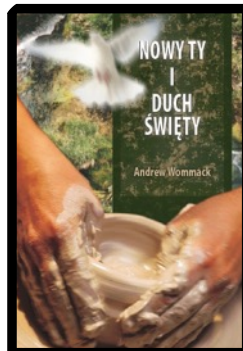

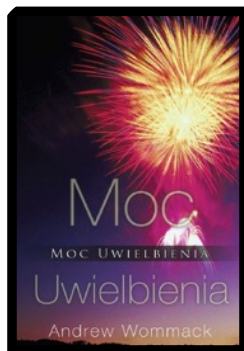

The first book we published was “Spirit, Soul & Body” in 2014. Since then we have published 7 more books (see pictures). We have spent around \$27,000 so far – all financed through donations received from you.

There are many more books that should be published. Currently we are working on 3 new books that we would like to publish: “Grace – the Power of the Gospel”, “The Believers Authority” and “Financial Stewardship”. To be able to finance the translation and publishing of these 3 new books **we need additional funding of \$10,000.**

If you would like to get involved in this project please consider donating to our ministry. Your donations will be a blessing to many who will be able to learn more about God and His Kingdom.

A big “Thank You” to all of you who already are our partners. The publishing department of our ministry could not exist without your support.

Book titles from l to r:
 “ You Already Got It”
 “ Effects of Praise”
 “ The New You & The Holy Spirit”
 “ The War is Over”

*We love and appreciate you all,
 Joseph and Ewa*
